

Backgrounds can be themed by season.

Spring, Summer, Fall etc.

A Spring Clean-up is the initial clean-up of any leaves or landscape...

As the user hovers over the various services; the 'tooltip' (above) will pop-up to describe that service.

All pages will have the same theme including the background and logo in the top-left corner, the FAQ & Contact Us links in the top right corner and the address and phone numbers at the top and bottom.

Gallery only shows on the home page and rotates through various jobs, images could be clickable and open in a full-page image with more details of the job.

Not a customer yet link will bring up a new screen for prospective customers to inquire for more info.
